

General

- 1) All domestic and international students competing in an Intel ISEF-affiliated fair must adhere to all rules as set forth in this document.
- 2) All projects must adhere to the Ethics Statement above.
- 3) All projects must adhere to the requirements of the affiliated fair(s) in which they compete to qualify for participation in the Intel ISEF. Knowledge of these requirements is the responsibility of the student and Adult Sponsor.
- 4) Projects must adhere to local, state and U.S. federal laws, regulations and permitting conditions. In addition, projects conducted outside the U.S. must also adhere to the laws of the country and jurisdiction in which the project was performed.
- 5) The use of non-animal research methods and the use of alternatives to animal research are strongly encouraged and must be explored before conducting a vertebrate animal project.
- 6) Introduction or disposal of non-native and/or invasive species (e.g. insects, plants, invertebrates, vertebrates), pathogens, toxic chemicals or foreign substances into the environment is prohibited. It is recommended that students reference their local, state or national regulations and quarantine lists.
- 7) Intel ISEF exhibits must adhere to Intel ISEF display and safety requirements.
- 8) It is the responsibility of the student and adult sponsor to check with their affiliated fair for any additional restrictions or requirements.
