

## 2026 Blue Ridge Highlands Science Fair Sponsorship

Your donation is critical to continue to provide support for the Science Fair. Former fair participants returned to tell us that their prize inspired a lifetime of achievement. By making this donation, you become a part of their future. The Blue Ridge Highlands Regional Science Fair will be held February 27 and 28, 2026 at Radford University.

Several levels of sponsorship are available, in addition to the ongoing opportunity to make a simple donation to support this important activity for our youth. All donations will be recognized in the online program book, website, during competition and at the awards ceremony.

_____ \$ 250	<b>Bronze Propulsion Level</b> Half page color ad in online program book	Yes _____, No _____
_____ \$ 500	<b>Silver Kinetic Level</b> Full page color ad in online program book	Yes _____, No _____
